INJUPEMP

Tegucigalpa, Honduras

- Participated in the project proposal between Ecuador and Honduras for a new data center in INJUPEMP.
- Analyze, correct, and maintain repository for all project information and status of project activities.
- Support and creation of automatic spreadsheet to implement a new law released on May 2014.

Datacom Engineer

Aug. 2010 - March. 2014

HUAWEI TECHNOLOGIES

Tegucigalpa, Honduras

- Installation and commissioning of a U2000 platform in Solaris 10 with High Availability in Oracle Netra Sparc T4-1 servers.
- U2000 Upgrade for Millicom Honduras and El Salvador.
- Directs & implements new firmware and software releases.
- Implemented SNMP on devices to allow for network management.
- Take control of the arrange of technical services provided and supervise all outsourcing partners.

- Manage an engineering services system (IBUY).
- Coordinating and managing teams for the new installations of Nodes B transmission and corporate services.
- Configurations of new network equipment (routers, switches, etc.) for the access layer of IP transmission in UMTS network.
- Installation and configuration of Metro Routers for core and aggregation layers.
- U2000 administrator and responsible of all the platform in Solaris 10 mounted over Sparc T5520 server. (commissioning, troubleshooting, monitoring, maintenance).
- Design and coordination of UMTS and IPRAN network. (Access and Aggregation Level).
- Create the IP Planning for IPRAN network and IP microwave links test for transmission from Datacom part (IP over SDH test).
- Made Site Surveys for new metro routers installation.
- Performance of maintenance windows to change configuration in services and active networks, including new implementations, rectifications, updates and upgrades for IPRAN and UMTS networks.
- Access Datacom equipment configuration for IP transmission in UMTS network (Telefonica) and U2000's Telefonica Administrator and com-missioning U2000 in San Jose City, Costa Rica.
- Provide training to staff at the customer location.

Co OP - Planning Transmission Engineer

Apr. 2010 - Jul. 2010

MILLICOM - TIGO HONDURAS

Tegucigalpa, Honduras

- Manage and update the national fiber optics database, through the use of OSPInsight.
- Information analysis, error detection and management.
- Data transformation for OSPInsight's input.
- Creation of the CONATEL database, which includes their condensed resolutions with respect to microwave and satellite data links.
- Perform the inventory of the transmission equipment's fiber optic use, in Plaza Tigo and Tigo Las Lomas.

Other Work Experience

Customer Service Support Agent

Jun 2017 - Mar. 2018

SONICWALL

Ottawa, Canada

- Solve licensing problems for customers through our license manager.
- Products association in our license manager, such as support services that should be linked to other and High Availability.
- Product Registration and Key Activation assistance.
- Creation of self-guide articles for SonicWall's Support website.

Teacher Assistant:

Winter 2017 - Digital Systems I & Fall 2016 - Gestion de projets en génie logiciel

Sept. 2016 - Apr. 2017

UNIVERSITY OF OTTAWA

Ottawa, Canada

- Marking of lab submissions and reports / Tutorials.
- Supervision of lab activity & support of any other class related activities.

Technical Customer Support Agent

Mar. 2014 - Oct. 2014

LAUREATE NETWORK PRODUCT AND SERVICES

Tegucigalpa, Honduras

- Analyze, solve and escalate customer requirements according to their priority.
- Develop projects to comply with business needs and creation of metrics for Technical Customer Service team.
- Provide technical support for live events.

Teacher Assistant - Introduction to Electrical Circuits and Electromagnetism

Jan. 2009 - Dec. 2009

UNITEC

Tegucigalpa, Honduras

- Marking of lab submissions and reports / Tutorials.
- Supervision of lab activity & support of any other class related activities.

Education

MEng. in Electrical and Computer Engineering

Sept. 2016 - Abril 2018

UNIVERSITY OF OTTAWA

Ottawa, Canada.

B.S. Telecommunication Engineer

Jan. 2006 - Sept. 2010

UNITEC (CENTRAL AMERICAN TECHNOLOGICAL UNIVERSITY)

Tegucigalpa, Honduras.

Technical Skills & Personal Capabilities

TECHNICAL SKILLS

- Negotiation abilities regarding to hardware, software purchases with partners and circuit contracts for customers.
- Experience with the re-design nodes's office regarding to copper and fiber cable relocation.
- Good understanding of OSI Model, TCP/IP protocol suite (IP, ARP, ICMP, TCP, UDP, SMTP, FTP, TFTP).
- Well understanding of Bridging and switching concepts and LAN technologies.
- Operating Systems: Windows and UNIX/Linux.
- Executed test and analyzed results for multimedia's traffic in order to prioritize it using Wireshark.
- Utilization of Simulation tools such as: OMNeT ++, NYSUM (5G simulator).

- Programming Languages: HTML (Intermediate), CSS (Intermediate), JavaScript (Intermediate), Latex (intermediate) Matlab (intermediate), C++ (Intermediate), VHDL (Basic), SQL (Basic).
- Understanding Database's structures and functionality.
- ERP platforms: Zendesk and Salesforce.

PERSONAL CAPABILITIES

- Tolerant and flexible to different situations.
- Decision making, critical thinking, organizing and planning.
- Problem analysis and problem solving.
- Organizational skills and customer service orientation.
- Adaptability and ability to work under pressure.
- Self-motivated, initiative, high level of energy.
- Project Management, Project Coordination, Leadership.

Training & Certificates

- Violence Prevention.
- Working Together: The Code and the AODA.
- Accessibility Standards for Customer Service.
- Respect in the workplace.
- Workplace Hazardous Material Information Systems (WHMIS) for office workers.
- Supervisor Health and Safety Awareness.
- Worker-Health-and-Safety-Awareness.
- **University of Ottawa**
- Customer Service.
- **UNITEC**

- MySQL Database.
- Financial Management I.
- Virtual Space Administration.
- Web Design Introduction.
- Teamwork.
- **INFOP, Government of Honduras**
- Mobile Industry and Socio-Economic development.
- **CEABAD**
- SonicWall Sales Accreditation Curriculum.
- **SonicWall's University**
